The simple act of bringing a meal

Meeting with her Bridge of Hope Case Manager, a mom was very surprised and delighted to hear that some of her Neighboring Volunteers were planning to deliver meals to her house. **"No one has ever made me a meal before,"** she shared.

While it was second nature for the volunteers to care for others in this way, it was a special thing for the family. Through this and other ways of caring, the family has expressed that they feel very supported by their Neighboring Volunteers.

This simple act of delivering a home-cooked meal had a big impact on the family. With these acts of kindness, **we demonstrate Christ's love to moms and their children** when they need it most.

Are you and your faith community ready to share simple acts of kindness and walk alongside a family facing homelessness? To learn more about how you can **Neighbor a family** in Bridge of Hope, contact Caleb Simmers at calebs@bridgeofhopeinc.org.
